

Scholarship Reference Guidelines

Applicant Name: _____

Application Deadline: March 1, 2010

The above person has requested you write a reference to accompany their scholarship application. To make this easier for you as well as to facilitate the evaluation process, you may want to consider the applicant in the following areas:

- Leadership
- School Involvement
- Community Involvement
- Character and Motivation

The information you contribute is vital to the Scholarship Committee's review. Please address the areas that apply to you, plus any other information that might be of benefit to the committee. When finished, please forward the completed reference to the above named applicant for submitting with their online scholarship application.

If you have questions, please contact the Foundation office via email at scholarships@fmkfoundation.org.

Thank you for your time and assistance.
